Of all the public advised medicines of the day, we know of monethat we can more safely recommend for the fills that flesh as heir to' than the pills that are sold at the depot of the North American College of Health. no. 198 Trementairest, Benton. Several instances we know of where they are used in families in the highest satisfaction; and no longer as then yesterday. There used to be a great repugniance to the remed, hat it was main't owing to the regular M. D.'s constantly denouncing them. The are however becoming more liberal in this respect, and the consequence that good Vegetable medicines are now more extensively used than forwerly.
